

ZippyPaws®

Catalog 2023

Dear ZippyPaws Family,

I can't believe 2022 is in our rear-view mirror. I think everyone would agree with me when I say....what a year!

Navigating running a company while taking care of my twin boys - Roman and August - during their infant years was trying, but so rewarding - they've given me a totally new perspective and I've loved watching them grow.

Sadness hit our family later in the year when we lost our beautiful Golden Retriever, Birdie to renal failure. She'd been diagnosed with congenital kidney disease at the age of one and fought it bravely for almost two years before ultimately crossing over the rainbow bridge. It was a long, hard road for my family, but we're forever grateful for the time we had with her.

At ZippyPaws, we continued our partnership with the Los Angeles Kings and even broke into NASCAR with a first of its kind partnership with championship driver Daniel Suarez. What can I say? Everyone loves dogs!

As we head into 2023 my goal is to carry Birdie's memory with me and allow her spirit to shine through in ZippyPaws. If you're wondering...her favorite toy were the Miniz 3-Pack - Cookies.

We also have several projects in the works that I cannot wait to share with you. The most exciting?

WE ARE OFFICIALLY LAUNCHING ZIPPYCLAWS®!

After years of everyone asking, we've decided it's time to break into the world of felines. I guess you could say the cat's out of the bag? We'll launch with a full collection complete with burrows, kick sticks and some re-imagined ZippyPaws classics.

As always, my continued hope is that we continue to bring happiness to dogs and cats across the globe and that our company continues to give you the best service in the industry.

Jennifer Glaser

Co-Founder

Meet Pepper, the newest addition to our family! Her current favorite ZippyPaws toy is the Jigglerz® - Eggplant, found on page 22.
